I would also like to thank our students for their hard work and effort to be peaceful each and every day by following our school rules: Be Respectful, Be Responsible, Be Safe, and Be Kind. I hope that students will follow these rules when they are home during the summer months.

I would like to remind parents that the local churches are offering a Summer Lunch Box program beginning on Monday, June 22nd and continuing through Friday, August 14th. If you have not signed up for the program, call the school at 301-359-0511 and we will get the information to you. We wish to say a fond FAREWELL to our fifth grade students and wish them success as they move on to Westmar Middle School. We would also like to wish a very happy retirement to Mrs. Sandy Llewellyn, who has been the Title I Parent Involvement Coordinator at Westernport Elementary School for many years. We hope that Mrs. Llewellyn enjoys her retirement years with her children, grandchildren and great-grandchildren.

Summer hours for Westernport Elementary School are Monday-Thursday, 7:30 AM to 4:45 PM.

SUMMER CLEANING

Our custodians, Kim Martin, head custodian; Bobby Morris, Gene “Bugs” Foutz and David Parker will soon be busy with summer cleaning at WES so that the school will be bright and shiny in August. Our custodians literally empty every room of desks, tables, computers, books and other materials as they do the summer cleaning. Often teachers call the school to ask, “Are you done with my room yet?” so that they can come in to get a head start on bulletin boards, laminating, and other tasks which will help them to get ready for a successful school year.

We want to thank our custodians for all of their work during the summer and throughout the school year.

Thanks to Verso Corporation, Our Partner in Education

The weekly attendance drawing is sponsored by Verso Corporation, one of our Partners in Education. The names of the students who are drawn from the "pot of gold" are checked against the attendance list from the previous week. If a student whose name is drawn is present at school each day for the previous week, he/she wins a silver or "gold" dollar. If a student is absent, tardy or leaves early on any day during the previous week, his/her name is not announced, but is put back in the bucket and a new name is drawn. Drawings are held live each Monday on closed-circuit WWES-TV. One coin, per week, is awarded to each grade level.

Shown above are Eric Follett, support teacher/On-Air Personality; Alexa Fazenbaker, school principal/On-Air Personality; Patsy Koontz, Communications and Public Affairs Manager for Verso Corporation, Luke Mill; Deborah Hendrickson, media specialist/Show Director; and student Connor Lyons, Stage Crew, Stacey Hanlin, school secretary, provides the weekly attendance statistics and Shelly Fitzgerald, LAP Room IA, substitutes on the show, as needed. The Luke Mill has sponsored the attendance drawing for 12 years. Thanks, Mrs. Koontz, for drawing the winning names on June 1st.

Read to Feed Donations to purchase Chickens (and more!)

WES students in grades 2, 3, 4, & 5 passed more than 600 Accelerated Reader tests to "earn" a total of $100.00 to purchase five flocks of chickens for Heifer International, the sponsor of the Read to Feed program. A Chicken Celebration was held on Friday, May 29th for students who helped the most by reading and testing. Chicken themed games, crafts, food and a movie were enjoyed by all who attended the event.

A total of $225.50 was also raised by students (and Mrs. Hendrickson) who did extra reading at home. These students included Gwen Fazenbaker, Kirsten Hammond, Elizabeth Ketterman, Nathaniel Ketterman, Ayreianna Kilby, Owen Llewellyn, Wyatt Murphy, Mollee Slaubaugh and Katherine Westfall.

The top participating students and those who raised the additional donations voted to send a pig, two swarms of bees, and two flocks of ducks to Heifer International, in addition to the flocks of chickens. These animals will be used to help families in need (and their neighbors) to become more self-sufficient. Thanks to all who participated in this worthwhile project. We hope to do it again next year!

Information, Please!

A survey was sent to parents and guardians asking them their preference for when information is sent home from the school office. An overwhelming number of parents indicated that they preferred receiving information daily (permission slips, school announcements, community letters and information from the school office.) In 2015-2016, the school office will continue to send home timely information on a daily basis. Thanks to the 167 parents and guardians who completed this important survey.

Thank You, Thank You, Thank You

Westernport Faculty and Staff would like to express their appreciation to Mrs. Alexa Fazenbaker, the Westernport Elementary PTA, students and parents who made Teacher/Staff Appreciation Week so great. We enjoyed the food, surprises in our mailboxes, notes from students, hanging baskets and other special treats. Thanks so much! We feel so very fortunate to be part of such a wonderful school community.
